Narrated Sightseeing Tours, Island Shuttles and Charter Boat Trips

Apostle Island Cruise Service (AICS) is authorized by the National Park Service and U.S. Department of the Interior as a park concessioner to serve the public within the Apostle Islands National Lakeshore. AICS offers a variety of narrated sightseeing cruises, island shuttles, and charter trips to islands and offshore locations throughout the national lakeshore. The most popular is the 3-hour "Grand Tour" which travels through the heart of the Apostle Islands archipelago.

Island shuttles provide visitors with boat transportation services to specific islands, where you can visit a lighthouse, hike, picnic, bird-watch, or explore natural and cultural areas on your own. Shuttle transportation is only guaranteed on days when the vessel has a minimum of 12 round trip passengers. AICS will not know until the day and time of departure if this minimum has been met. This means the shuttle will not depart when there are too few passengers to fiscally justify its operation. You are encouraged to have an alternative plan if the shuttle is not operating. The cruise service will pick up campers on islands on dates specified in the shuttle reservation, weather permitting. Please be advised that transportation from the island may involve the use of a more fuel efficient, smaller, open boat.

Other cruises are available in the afternoon and evening with the opportunity to see sunsets, sea caves, and lighthouses. For a complete schedule of this year's cruise offerings, visit their website at www.apostleisland.com.
